

INCOB2019 - EXTENDED DEADLINE FOR EARLY BIRD REGISTRATION

Early bird registration for InCoB2019 has been extended to August 15, 2019, whilst notification for paper submission is currently ongoing.

For more info on the key dates, please visit www.incob2019.org.

InCoB2019 will be co-located with the Annual General Meeting of the Global Organisation for Bioinformatics Learning, Education and Training (GOBLET), Genomic Medicine Conference (GMC) and South East Asian Pharmacogenomics Research

Network (SEAPharm) meeting.

These four events promise a rare opportunity for scientific discourse. InCoB2019 will include presentation of original research results, discussion in plenary sessions, poster sessions, software demos and panel discussions related to the field of bioinformatics. The conference will be held from September 10-12, 2019.

Register now: www.incob2019.org/register

BID FOR INCOB2021 IS NOW OPEN

We now accept bids to host InCoB2021. Are you an organiser interested in hosting our conference?

Complete the [form](#) or submit your application to sec@apbionet.org directly using the template, for review by APBioNet Executive Committee.

Read more on the guideline here:

PARTNER HIGHLIGHTS - BIOCLUES

Bioclues is a nonprofit organization that was founded in 2005 and is the only official affiliate of the International Society for Computational Biology (ISCB) in India. Bioclues is proud to have over 3,500 members in 40 countries. It has provided mentorship to more than 1100 students and collaborates with ~12 universities and organizations in eight countries.

For more info, please visit: <http://bioclues.org/>

GOBLET ANNUAL GENERAL MEETING (AGM) 2019

The Annual General Meeting (AGM) of the Global Organisation for Bioinformatics Learning, Education & Training (GOBLET) will be held in Jakarta, Indonesia at Universitas YARSI from September 9-11, 2019. The event will be co-located with the International Conference on Bioinformatics (InCoB) 2019.

This will be the first joint activity between the GOBLET and APBioNet. Registration for the GOBLET AGM will allow free participation into the InCoB Opening Ceremony and joint workshop (see [agenda](#)); however, participation in other InCoB2019 activities will require full-registration (<https://incob2019.org/>).

GOBLET AGM is open to all working in bioinformatics training who would like to observe the AGM and learn more about GOBLET's work (limited seats).

International Conference on Bioinformatics 2019

Co-located with the Global Organisation for Bioinformatics
Learning, Education & Training (GOBLET) Annual General Meeting,
Genomic Medicine Conference (GMC) and Southeast Asia
Pharmacogenomics Research Network (SEAPharm) Meeting
Universitas YARSI, Jakarta, Indonesia, 10-12 September 2019

CONFIRMED KEYNOTE SPEAKERS

Prof Adrian Hill,
The University
of Oxford, UK

Dr Denis Bauer,
CSIRO, Australia

Dr Eija Korpelainen,
CSC - IT Center
for Science

Prof Katsushi Tokunaga,
The University
of Tokyo, Japan

Prof Sir Munir Pirmohamed,
Liverpool University, UK

Prof Stuart Ray,
Johns Hopkins
University, USA

CALL FOR

1

Poster abstracts; deadline 31 July 2019

2

Proposals of special sessions and co-located
workshops; deadline 31 July 2019

3

Abstracts for software/tool/resource/database/
technology demos; deadline 31 July 2019

International Conference on Bioinformatics (InCoB)

Interested in bidding to host InCoB?

Here is why.

InCoB was first organised in 2002 and will be organised for the 18th time in 2019

Prominent History

InCoB has been organised in 14 locations in the Asia – Pacific region

Region-wide Location

APBioNet/ISCB has supported over 100 students to attend InCoB from its Travel Fellowship program

Student Travel Support

Network Outreach

InCoB has hosted over 2000++ participation regionwide since inception

visit www.incob.apbionet.org to learn more
